

SCHEDULE No. SS01

for

FD30 Strebord® 44, Strebord® Superpan and Strebord® 54 Door Leaves Installed in Timber and Steel Frames

This Schedule in the form of the attached document reference IFCA/08037 Revision D has been prepared for IFC Certification Ltd by International Fire Consultants Ltd.

It is issued to fabricators of doors using Field of Application for FD30 Strebord® 44, Strebord® Superpan and Strebord® 54 Door Leaves Installed in Timber and Steel Frames and is referenced on the certificate issued to the fabricator.

The Schedule forms an integral part of the certification specifying the scope and field of application for the doors including the configurations and leaf sizes approved together with the glazing, hardware, seal and frame specifications.

Only doors manufactured in accordance with this Schedule are deemed to be covered by the certification.

Ian Woodhouse
Director of Certification

Date first issued: 2 December 2011

Schedule Revised: 1 July 2020

Schedule Valid to: 30 June 2024

IFCA/08037 Rev. D is valid until: June 2024

The certificate and schedule are held in force by regular annual surveillance visits by IFC Certification Ltd and the reader or user should contact IFC Certification Ltd to validate its status. The certificate remains the property of IFC Certification Ltd and must be returned to them on demand.
